

Thank you for accepting the invitation to participate in this study. The questions contained in this booklet are designed to obtain your opinion about a number of things concerning you, your friends, your family, your neighborhood and your community. In a sense, many of your answers will count as "votes" on a wide range of important issues.

In order for this study to be helpful, it is important that you answer each question as thoughtfully and honestly as possible. All of your answers will be kept strictly confidential and will never be seen by anyone at your school. This study is completely voluntary so you may skip any question that you do not wish to answer.

Be sure to read the instructions below before you begin to answer. Thank you very much for being an important part of this project.

INSTRUCTIONS

- Use a No. 2 pencil.
- Make heavy black marks inside the ovals.
- Erase cleanly any answer you wish to change.
- Make no other markings or comments on the survey pages, since they interfere with the automatic reading.
